

**REMARKS**

By this amendment, claims 7 and 8 are cancelled to remove unpatentable claims due to not listing the inventor of those claims at the time the application was filed;

Claims 1, 5, 6, and 24 are now in this application. In view of the above amendments and the remarks hereinafter, it is respectfully requested that this application be passed to issue.

On July 27, 2005, applicant learned that the inventor of claims 7 and 8 of this application was not listed as an inventor at the time of filing this application. Therefore, since claims 7 and 8 are unpatentable due to an improper listing of inventorship, applicant has deleted claims 7 and 8. Inventorship of remaining claims 1, 5, 6 and 24 is correct as shown by the declaration filed at the time of filing the application.

Since remaining claims 1, 5, 6, and 24 are allowable, it is respectfully requested that this application be passed to issue.

Respectfully submitted,
